This was the issue that suggested itself at once when the Republican convention finished its work at Chicago. Leaders in Council are giving special

Studying New York Report In this connection city officials and councilmen are studying a report made by the housing committee of the re-construction commission of New York to Governor Smith. Among the recom-mendations was the following: "Study and report on the advisa-

bility of enacting enabling acts per-mitting cities to acquire and hold, or essary, to carry on housing, Director of Public Welfare Tustin, who has been carrying on a study of the housing problem for some time, urged Philadelphians, councilmen and citizens

to consider that New York report with Philadelphia in mind. "The idea contained in that report, said the director, "is splendid. I would urge Council to appoint a committee to make an investigation of the situation with a view of the city's appropriating funds for the purposes named. If municipal legislation will not be adequate, then Council can rec-

ommend action by the state Legislature, which reconvenes next January. Hall Declares His Interest

gestion contained in the New York report.
"I will be glad," said Councilman
Hall "to offer a resolution in Council a special councilmanic committee to investigate and report upon all phases of

city appropriate funds.
"I would offer a resolution urging that the director of public welfare stud the problem in all its details and make a report containing recommendations to City Council. I understand that Director Tustin, as the result of his work on the housing problem up to this time, is supplied with a mass of information which would be useful in such a re-

port. "The city's borrowing capacity is ALL the saucy breezes since the day began have been coaxing—coaxing—"Catch us if you can!"
